

# Every SHADE of Blue

The Royal Blue 2014

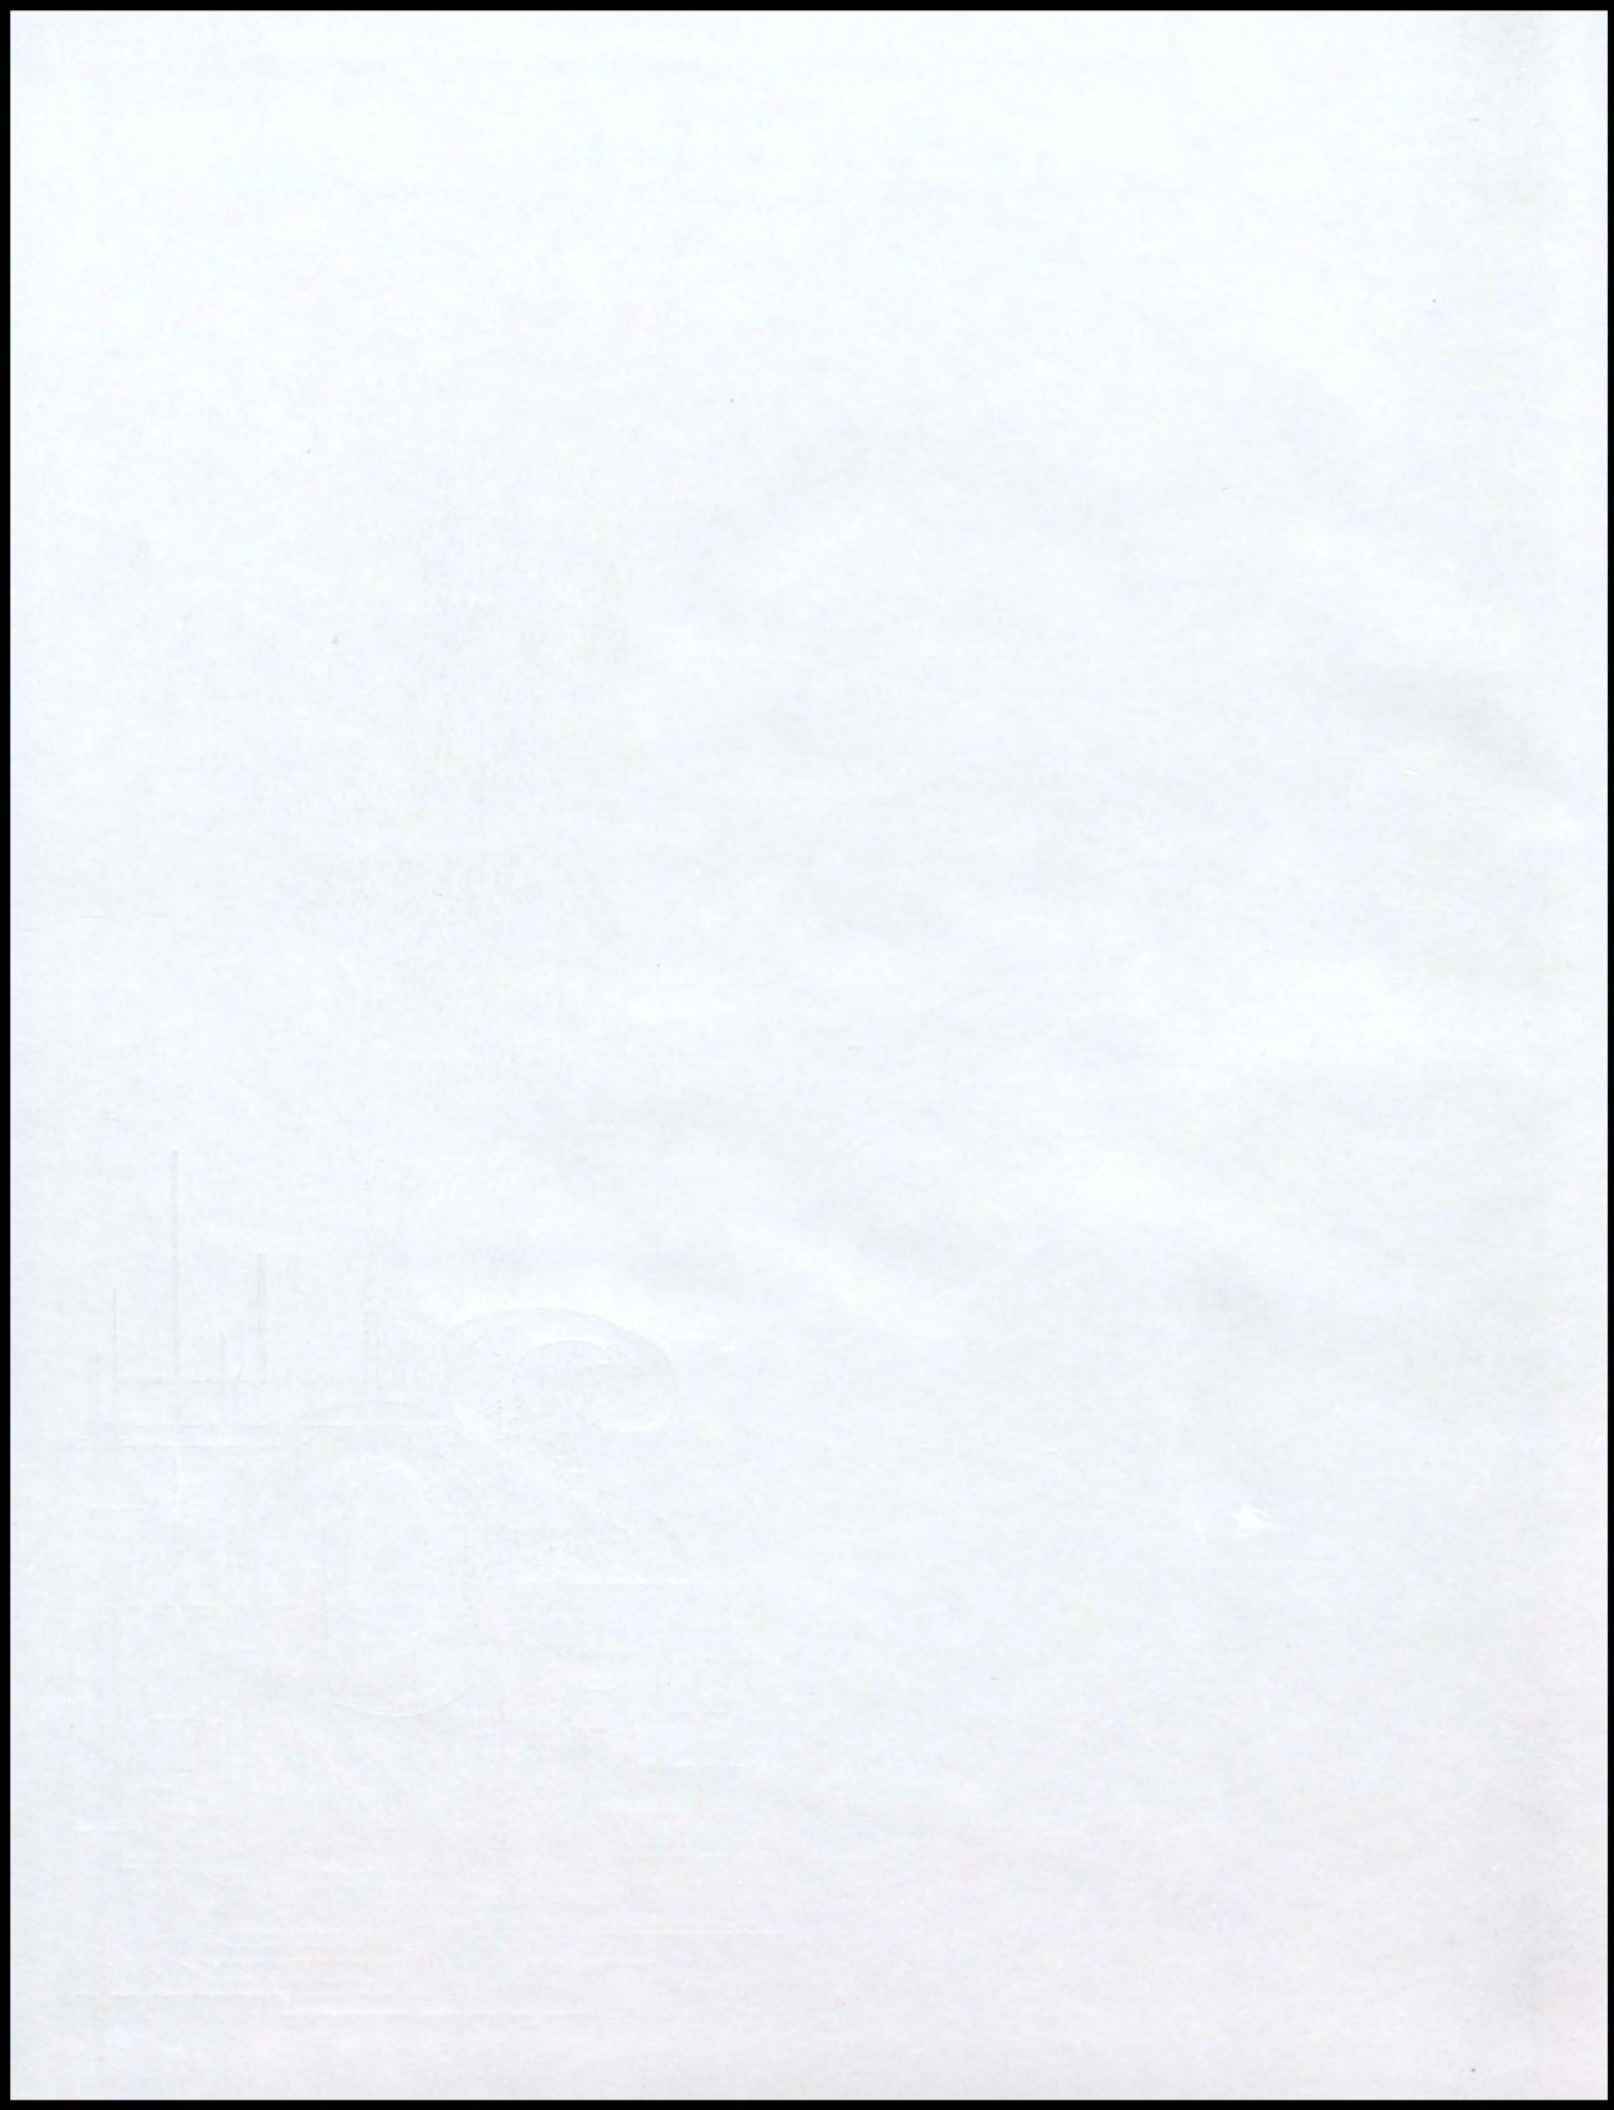

2014

A stylized graphic of the year 2014. The numbers are rendered in a bold, black, sans-serif font with a white outline, giving them a three-dimensional appearance. The '2' is positioned above the '0', and the '1' and '4' are stacked vertically below the '0'. The entire number set is set against a background of thin, black, geometric lines that form a complex, circuit-like or grid-like pattern. The lines are of varying lengths and orientations, creating a sense of depth and technical precision.

## Weekend of a **Lifetime**

November 21-23, 375 of our Wa-Hi students loaded buses and headed off for a weekend full of laughter and fun. We shared stories that no one else knew, we met new friends that we had never met before, and we had experiences with each other that will stay with us forever.

One of the many games at Big Blue, where you had to tap the hands of the people next to you.

# It's SPIRIT WEEK!

**Homecoming Week** was the time for everyone to show their school spirit! From dress-up days—Blue Devil Spirit, Class Colors, Twins Day, Super Hero Day, Thrift Shop Thursday—and lots of lunchtime competitions, to Seniors and Juniors battling it out on the court and the field. Senior guys dominated the Juniors, 3 games to 0, during Monday night's Buff Puff and Senior girls defeated the Juniors 7-2 at Borleske Stadium during Wednesday night's Powder Puff game.

Borleske stadium was filled with loyal fans, parents, and staff cheering on Wa-Hi despite the chilly October night. Blue devils took on the Pasco Bulldogs and dominated; with a final score of 48-0. At half-time, the dance team and cheerleaders danced to "Applause" by Lady Gaga following the band marching on the field for their own performance. The Homecoming Court arrived during half time in a multitude of sweet rides and in their formal attire to be crowned as king and queen. While the crowd counted down, blue balloons got released from Justin Seymour and Hannah Hampson's trunk representing that they won. Saturday, following the home football game, Wa-hi had their annual homecoming dance with the theme Arabian Nights.

Q:

What has your favorite trip been in America?

"Going to Silverwood in Spokane was my favorite. I loved the water park and the roller coasters, especially the 'After Shock!'"

Q:

Are there holidays you learned about here that you've never celebrated before?

"Yes we don't have Thanksgiving in Brazil. Also, Halloween isn't a big deal and Valentine's Day is only celebrated between people in relationships."

Q:

What is your favorite subject here at Wa-hi?

"Drama, because we don't have a drama class in Japan and it's really fun. I like that we don't have to study and it's a chance to improve my English skills."

Q:

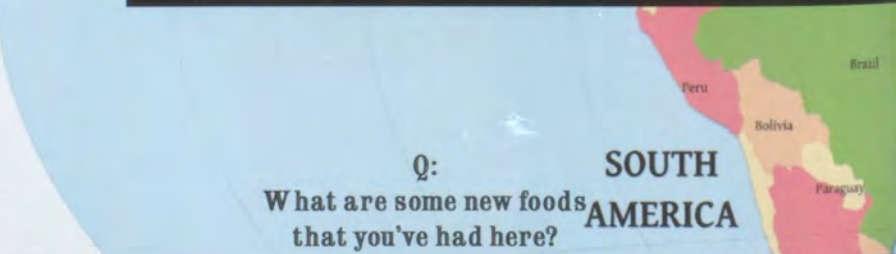

What have your favorite activities been here?

"Ice skating is really fun, and I love baking! My favorite pie is peach but we bake a lot of pumpkin pie."

"Taco Bell is new, I've never had it before. I really like blizzards too, and the pizza is much better here. I like Pizza Hut and Dominos."

Q:

What are some new foods that you've had here?

Is the sense of style different here?

**Q:**  
What has your favorite experience been at Wa-hi?

**Q:**  
What do you miss most about your hometown?

"The fashion style is more basic here, a lot of people dress more comfortably. I'd never seen slippers worn out of the house!"

"Going to Big Blue Weekend, I liked the attitude of making so many friends and that everyone could share their stories. It was really fun."

"I miss my friends a lot. But I really like it here. I wish I could live in both places!"

# FLOWERS FOR ALGERNON

## MEET THE CAST

WHAT WAS THE MOST CHALLENGING PART OF THIS PRODUCTION?

"Flowers for Algernon is such an emotional play. So performing it "in the rounds" was tricky. I'm really glad Mr. Senter chose to direct it this way though, because it was so much fun and I learned a lot." - **Raiah Granchukoff**

"One of my biggest challenges was trying to do it "in the rounds" however, once I got going I realized it was more natural than normal acting." - **James Innes**

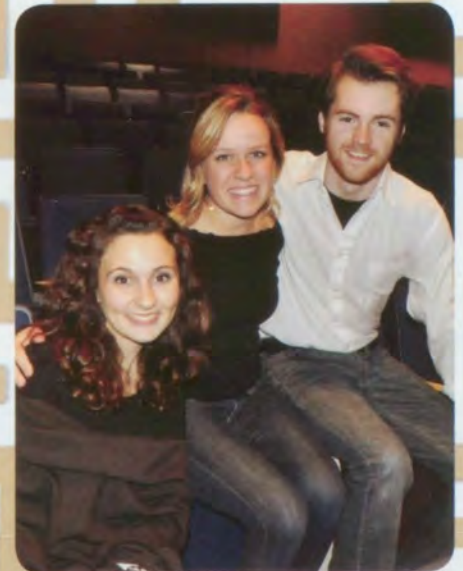

Mother of Charlie, (left, Hannah Herbert) sees son, (Colton Jordan) and falls into breakdown.

Dr. Strauss, (right, Brennan Adams) and Professor Nemur, (far right, Elena Janis) discuss over Charlie's progress since the operation.

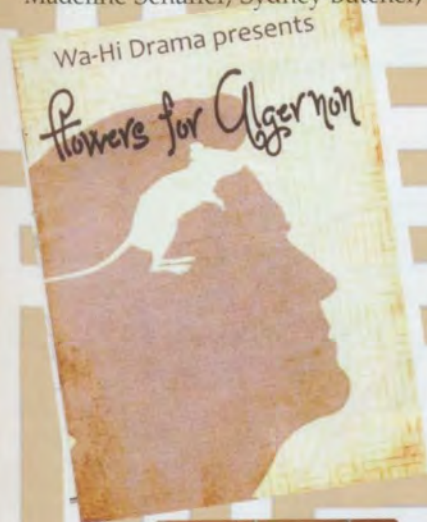

Alice, (Raiah Granchukoff) and Charlie, (Colton Jordan) engage in a conversation over books.

The cast enjoyed bonding and being silly offstage!

Katrina James, Emily Coleman, Katie Wenzel, Alex Crump.

Hannah Herbert, Colton Jordan, Justyn Filan, Cassidy Haluska, James Innes.

"My biggest challenge was acting "in the rounds" because we are so much more visible. It was definitely a good experience!" - **Brennan Adams**

"Probably getting into character and trying not to offend people with the role. Being up close with the audience made it nerve-racking. That was my first time acting. I hadn't performed anywhere else." - **Colton Jordan**

# Moby Dick The Musical

**M**oby Dick: The Musical centers around St. Godley's all-girl school that has lost its funding. As a final attempt to raise money to save the school, the girls put on Ishmael's adaptation of Herman Melville's Moby Dick turned musical. With their headmistress (a man dressed in drag) as Captain Ahab, the girls put on a musical full of fun numbers ranging in style from vaudeville to doo-wop to hoe-down to sea shanty.

# Q&A:

Joel Barber

What was your favorite memory as a Wa-Hi Teacher / staff? And what are you planning to do when you retire?

1.) One in particular was a girl in my 7th grade science class. Science was her least favorite class. By the end of the school year, her view on science had changed. She kept in contact with me throughout her high school days and told me how I had changed her outlook on science. I hope I have shared something positive with the students I have had the privilege to teach. After I retire, I'd like to do some traveling and see all 50 states with my wife.

2.) My favorite memory are the snow days! And following my retirement I plan to visit the north pole, the south pole, and a lot of places in between.

Karen Hermeston

Linda Woodard

3.) I have so many wonderful memories over the past years. The Yakima Valley Interscholastic Activities Assn. awarded me a plaque in recognition of my many years of dedicated service to the youth of the YVIAA. It's been a pleasure to work with all kids. In my retirement I will enjoy time at home, walking with my friends and Sally Jo. It will also be nice to be able to "watch" an athletic contest.

4.) My best memory of teaching happens every year when I watch 127 seniors put on their robe and walk down the aisle to receive their diploma. When they entered my classroom I knew very little about them but by the end of the year the entire class had made connections with their classmates. My students had to think critically, analyze information, work collaboratively, and make presentations with newly found friends. I will remember them and this magical moment until next year. After my retirement I hope to garden, read many books (especially those piled around the house), walk my dog, Sally and travel. I would love to go to the Panama Canal, Spain, and Greece!

5.) My favorite memory is taking the choirs to the Grotto. Watching their faces when they hear that first song always brought me special joy. I do not know exactly what I will be doing. I may spend more time composing or writing. Hopefully teaching some voice lessons. I will be spending more time with my wife and family; being a Grandpa is the best.

6.) My favorite memories as a teacher were the times I met my former students in the community. You know you have made a difference when a student comes up to you in a store or on the street and greets you by name. Taking their time to share with me what they have been up to and what their plans are. Both my wife and I are retiring this year. Since our priorities will no longer revolve around work, we plan on spending more time with our grand child, travel (with Europe at the top of the list), and fly fishing at every opportunity.

# In Memory of Jim "Smitty" Smith

A coach, mentor, and friend to many

"Smitty was truly an amazing person, always willing to help you no matter what it was. If you were upset before practice, by the end you were laughing and smiling. It was an honor to have the opportunity to know him."

— Grayson and Stuart Gillin

"Smitty was the most influential person I have ever met and I am going to miss him dearly. He loved his athletes just as much as he loved the game. He will forever be my favorite coach."

—Troy Aguilar

"Smitty was a great guy, he touched many people in many ways. He was competitive, but still a heart warming guy. The kind of guy that always had a smile on his face. He will truly be missed by many."

—Kyle Barker

"Smitty was someone who meant something to all of us in different ways. Even though I did not know him that long, I was able to take in all the humor, laughter, fun, and coaching of Smitty. It was such an honor."

—Mitchell Jacobson

"There are special people in our lives who never leave us .... even after they're gone." - D. Morgan
